

Introduction and highlights of Overseas Chinese Entomologists Association (OCEA)

Fangneng Huang (LSU AgCenter), Junwei Zhu
(USDA-ARS), and Changlu Wang (RSU, NJ)

Overseas Chinese Entomologists Association OCEA

Welcome to the website of

Overseas Chinese Entomologists Association (OCEA)

<http://www.go-to-OCEA.org>

- established in 1998
- a non-profit organization
- promote communication and collaboration among Chinese entomologists around the world
- \approx 200 members

Past Presidents of OCEA

1998: Liang, Dangsheng,

1999: Huang, Zhiyong

(Zachary)

2000: Zhao, Jianzhou

2001: Bai, Baorong (Barry)

2002: Duan, Jianjun

2003: Liu, Tong-Xian

2004: Zhang, Aijun

2005: Chen, Yanping

2006: Chen, Ming-Shun

2007: Zhang, Qing-He

2008: Song, Qisheng

2009: Fang, Qingquan

(Quentin)

2010: Zhu, Kun Yan

2011: Chen, Jian

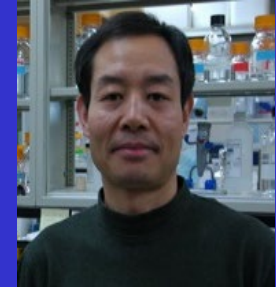

2012: Li, Shiyou

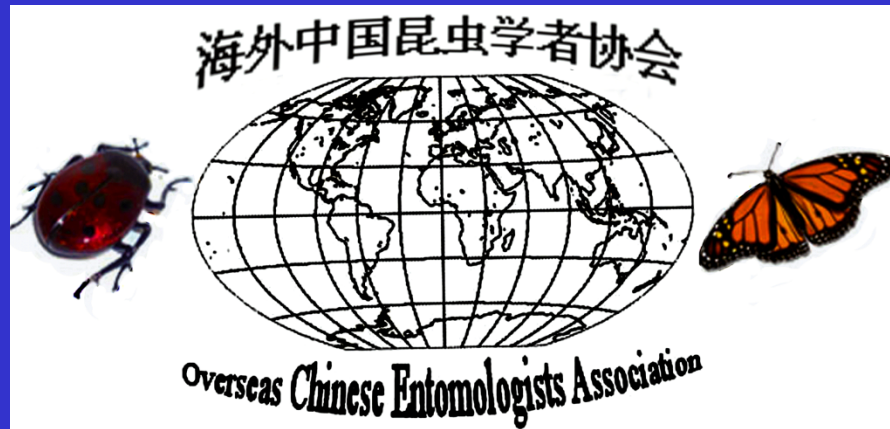

2013: Jiang, Haobo

2014: Liu, Nannan

2015: Yu, Xiao-Qiang

(Sean)

Major functions

- OCEA has annual meeting each year, which takes place during the annual ESA meeting

2015 ESA Member Symposium, Minneapolis, Minnesota

Overseas Chinese Entomologist Association (OCEA): Opportunity, Challenge, Collaboration and Achievement

Tuesday, November 17, 2015: 6:00-10:00 PM
200 C (Convention Center)

Organizers: Xiao-Qiang Yu, Fangneng Huang, and Junwei Zhu

6:00 PM: [OCEA Welcome Remarks](#)

Xiao-Qiang Yu, University of Missouri - Kansas City

6:20 PM: [Introduction of Chinese entomologist symposium in 2016 International Congress of Entomology](#)

Le Kang, Chinese Academy of Sciences; Nannan Liu, Auburn University

6:40 PM: [From sex determination to sex regulation](#)

Yong Ping Huang, Shanghai Institutes for Biological Science, Chinese Academy of Sciences

7:10 PM: [The functions of *Cotesia vestalis* teratocyte](#)

Xuexin Chen, Zhejiang University

7:40 PM: [OCEA highlights of the year 2015](#)

Fangneng Huang, Louisiana State University

8:10 PM: [Molecular mechanisms of the brown planthopper resurgence induced by pesticides](#)

Jin-Cai Wu, Yangzhou University

8:40 PM: [Bt rice in China: ecological risk assessment](#)

Gongyin Ye, Zhejiang University

9:10 PM: [OCEA financial report](#)

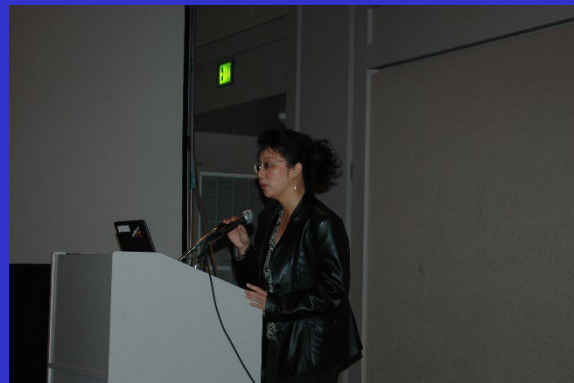

Junwei Zhu, USDA - ARS

9:20 PM: [Election of OCEA officer and concluding remarks](#)

Xiao-Qiang Yu, University of Missouri - Kansas City

OCEA annual meetings

OCEA annual meetings

- OCEA promotes collaboration with entomologists in China
- Institute of Zoology (CAS): International Insect Science Symposium in Beijing (4x, proposed July 2017),

Conference co-organizer

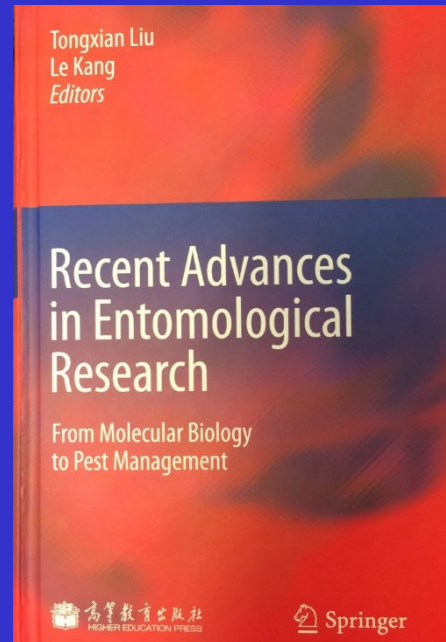

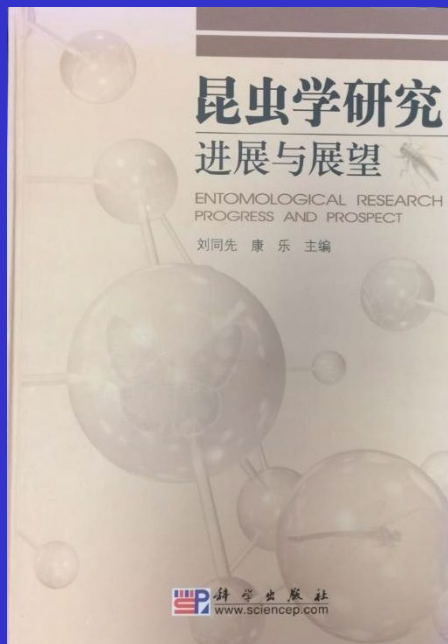

- International Symposium on Insect Physiology, Biochemistry, and Molecular Biology
- International Conference of Insect Genomics
- IPM?
- ICE, Chinese Satellite Symposium
- ...

Conference co-organizer

- International Symposium on Insect Physiology, Biochemistry, and Molecular Biology
- International Conference of Insect Genomics
- IPM?
- ICE, Chinese Satellite Symposium
- ...

Promote publications

OCEA presents 3 awards to member graduate students for their best student papers presented at ESA annual meeting

Appreciation to OCEA officers

Mission of OCEA

OCEA is a professional association that intends to cooperate with interested individuals as well as organizations around the world to promote the science of entomology. OCEA seeks to facilitate information exchange among Chinese entomologists and between Chinese and non-Chinese entomologists, promote academic exchange related to the science of entomology between China and the outside world in general, and the US in particular, and provide academic-oriented services for all involved.

OCEA is a non-profit organization to promote communication and collaboration among Chinese entomologists around the world. Since its establishment in 1998, OCEA has annual meeting each year, which takes place during the annual meeting of the Entomological Society of America. Currently, OCEA has around 200 members.
